## Who We Are

North Central Little League (NCLL) is a 100 percent volunteer, not-for-profit organization with a dedicated executive Board of Directors, volunteer coaches and team managers who devote personal hours year round to ensure that Milwaukee and Wauwatosa area residents have an affordable, family focused activity available to them.

*NCLL seeks to ensure that every child with a desire to play baseball be afforded that opportunity.*

Recognized by both the State of Wisconsin and the City of Milwaukee as an outstanding community based youth organization, NCLL has never turned a family away because they were unable to pay the annual fee.

## What We Do

Now in our fourth decade of service to the community, NCLL has grown to include over 600 young ball players and their families. Annually we support and organize over 50 youth teams, more than 700 games and four tournaments.

Our goal is to create a culture in which volunteer coaches, athletes, parents, officials, and fans work together to achieve our mission. We promote an environment in which the winning of games is secondary to the molding of exceptional citizens. We offer participants the very best educational, sports experience possible that is consistent with this purpose.
